

## PHOTOGRAPH CONSENT FORM

Photographs and videos may be taken for various reasons, including special occasions, such as seasonal or birthday celebrations, to document special activities and art projects, or to track the child's development through their time at GAN AVIV PLAYGARDEN during everyday activities. Please know that we limit the use of phones or cameras in front of the children, and will try our best to keep this process as subtle as possible so that the child is not distracted from their play. Please select from the boxes below to indicate your approval for photographs and video to be taken of your child.
